 - **Juniors:** Please note that juniors are not permitted to exhibit the same breed as a senior person living at the same address, regardless of whether or not that senior is exhibiting at this show. To compete in junior classes, junior members must attend the show and pen their own exhibits. This will be supervised by the Show Committee.
 - All exhibits must be the bonafide property of the exhibitor.
 - Entries will only be accepted from financial individual members of ANPA, the Melbourne Pigeon Society, Dandenong Pigeon Society, Victorian Pigeon Society, Twin Cities, & the Geelong & districts all breed club. (This will be checked & any un-financial entries will be returned). Security: Stewards will be on duty in each of the pavilions and will check all boxes and bags leaving the show hall and will patrol the hall during the day.

- No bird – other than for exhibition – is to be taken into the show areas.
- All boxes and crates must be placed in the secure storage area that will be provided. The stewards prior to leaving the pavilion will check each box.
- Security is paramount to the VSPF and your patience is requested at any inconvenience. There will be a professional security guard on duty throughout the night patrolling the grounds.

Sale Birds: Sale pens will be available. Cost will be \$5 per pen. There is a maximum limit of 4 birds per pen, we do not have any large poultry pens available. Vendors are asked to consider the health and comfort of their birds. Please book your sale pens with your entries.

Developmental/Genetics Class: Show classes will be provided for breeds in development or new colours being developed in existing breeds. Please note that this is not a class for “funny” colours produced by crossing existing colours within a breed but for specific projects to introduce a genotype not present in a breed or to create a new breed in this country. The Committee will award a special trophy for the best in the developmental class.

Catering: Food and drink will be available at the venue.

Judges: Judges are subject to change without notice. ANPA and the Joint Show Committee thank all the Judges for their acceptance of our invitation to officiate at the 25th Australian National Pigeon Show. Our gratitude is expressed to those fanciers who have made it possible for us to have this fine panel of Judges. A list of Judges – together with the breeds they will be judging – is to be found on page xx.

SHOW CONDITIONS

Old birds must be rung with a ring of the correct size issued by ANPA only. All young birds must be rung with a 2006 ring of the correct size issued by ANPA and must be entered in the Young bird classes provided. The only exception to this will be for birds entered in the classes for Racing Homer—Show and Flown Type. As dual purpose birds, entries will be accepted of birds rung with ANPA rings or bonefide Australian Racing Rings only. Only birds rung with the correct ring will be accepted for exhibition.

Exhibitors and spectators must keep well clear while judging is in progress. All will be allowed reasonable access to observe judging. The ANPA code of conduct will be strictly adhered to & enforced. Conduct violation specifically: a) any person engaged in chastising or rude questioning directed at the judge or making ownership of birds known. Persons offending in such a manner will be warned and then further infringement depending on severity will result in the person being asked to leave the judging area/pavilion or a disqualification of that person's exhibits, with severe infringements both will be applied. The entry form must have your signature to confirm your acceptance. At no time after birds are penned can they be handled without permission. Approval will be granted by the show committee only. If granted a steward will be in attendance. Exception is when birds are being brought up for judging, exhibitors then can only bring their own birds up. Otherwise the designated steward(s) will bring the birds up.

The committee will not be held responsible for any loss or injury sustained to any exhibit though every care will be taken. In all circumstances the judge's decision will be final, with no provisions for appeal or disputes. Judges may withhold placings, awards, trophies or certificates at their discretion.

Any exhibit deemed sick or carrying excess vermin of any description; the owner will be instructed to remove the bird from the pavilion. If any exhibit is disqualified from competition, all fees will be forfeited.

Exhibitors are responsible for all freight arrangements.

Unpenning of birds– The pavilion will be closed while all owners box their own birds. When the Show co-coordinator is happy that all exhibitors have their own birds, the doors will be opened. Preference will be given to people traveling long distances, and those needing to get to the airport. Exhibitors not pushed for time are asked to give consideration to those mentioned above, & to assist with tear down.

Special arrangements can be made for those exhibitors who can only leave on an early flight. Please contact the Show Co-coordinator with your details.

BREED SPONSORSHIP

Individuals may nominate a breed to sponsor. \$50 sponsorship will allow the individual to be recognized as the sponsor of the breed picked, and will be acknowledged in the catalogue.

The English Show racers of Doug McClary

The show racers were imported into Australia in 2004, based on my family line kept true and clear for over four decades. My powder blues are famous throughout the world but most colours are kept. Whenever they have been seen in Australia they have been greatly admired and are now available for general circulation following a brilliant breeding season. Showing is an important part of the racing pigeon scenario in the UK and it is my intention to make them just as popular in Australia.

Be among the first to own these brilliant pigeons. They are a joy to have in any loft and will compliment any good racing stud. In reality they are a good looking version of the racing pigeon but their handling makes them in a class of their own adding to their feather quality and all-round beauty. They will now be seen at more and more shows as a number of top fanciers have acquired show racers from one of the top studs in the world. Contact me for further details. If you admire racing pigeons, you will love the show racers. Better still come along to choose your own—every young bird is available for sale. Prices start from \$250 up to \$500.

King Club of Australia

Est. September 1997

The King Club of Australia (KCA) has been promoting Kings at the National level for the last 10 years. In that time it has established itself as the number one specialist club in the country. The aim of the KCA is to provide a national focus for Kings and promote the breed.

Promotion of the breed has been achieved by:

- Producing a quality informative quarterly bulletin for members
- Sponsoring 7 international judges at National Shows
- Requesting ANPA to provide specialist colour classes for the Kings
- Organising the judging at National Shows to accommodate the Parade of Champions system of judging
- Providing special trophies and colour class champion certificates at National Shows
- Providing specialist trophies for selected shows in each State
- Affiliating with international King clubs and networking with international King fanciers in America, UK, France, Germany, Hungary, Italy and New Zealand
- Providing KCA merchandise, such as badges, patches, beer mugs, coasters & artwork

The club prides itself on its friendly and supportive membership. The King entries at shows continues to be among the highest and the King remains hugely popular, primarily as a result of the KCA.

Membership is \$25 per year. Feel free to contact any of the committee as listed below.
